Dear Parent/Caregiver,

Our school community provides a chaplaincy program endorsed by the schools' Parent and Citizens Association and is available to all students. The chaplain is involved in a range of activities which happen at the school and are free of religious, spiritual and/or ethical content unless a parent makes a request. These activities include attending school camps and excursions, playground and class interactions, lunchtime programs and assisting school or other Education Queensland officers in running group programs in the school.

If you would like to discuss this further or have any questions/queries, please contact me:
emily.toms@suchaplaincy.org.au

A copy of this signed permission form will be forwarded to the school office for their records and is required to be completed every 12 months.

Kind Regards

Emily Toms
